Charm Valley of Charm Valley Golf Club is named after 'mysterious and wonderful'. David Dale, an American golf planner, the world's top design company, and Ellen, a sculptor, worked together with Daebong Lee, president of Charmbit Group, to create a fantastic course.

Although it is a popular system, it has invested more and put more effort into it than the membership system. Phoenix Golf Resort in Hanoi, Vietnam Grand Plaza Hanoi Hotel, and Haerangang Golf Resort in Yanji, China have all established themselves as luxury goods among luxury brands and are highly praised by people around the world.

Charm Valley Country Club has made a bold investment to make the rugged valley flat to make it a flat ground with a bold investment in order to enjoy golf comfortably.

A round of golf at this golf course located at the foot of Haeryongsan Mountain, where the fog in the great nature of beautiful pine trees and oak trees makes it look like a dragon ascends to heaven, makes you fall into the illusion that a freshman is playing golf on top of the clouds. How about a golf trip to relieve the fatigue and stress of travel for a day!
